O

UR APPROACH AND OUR COMMITMENT

For several generations, our Group has distinguished itself by the quality of the insurance solutions it offers from Monaco to the entire world. Ascoma Private Wealth Insurance's exceptional approach is its signature for a very high end clientele, owners of exceptional assets.

SPECIALISED PRODUCTS AND CUSTOMISED SOLUTIONS

Beautiful properties, art objects, private jets, show horses, luxury cars, superyachts. The list is not exhaustive but suffices to understand why specific and customised insurance solutions were required for exceptional assets. The experience, the quality of service and the advice Ascoma Private Wealth Insurance offers respond perfectly to the needs of owners of exceptional assets. The management of bespoke

insurance solutions requires in-depth knowledge of the market place and a truly personalised relationship.

CONFIDENTIALITY AND PERSONALISED RELATIONSHIP

Our distinction in dealing with our high-end clientele, lies in our cultural considerations and our approach: confidentiality, respect of privacy, made-to-measure services, and responsiveness in all situations. The quality of our customer relationship, in the framework of this approach, is essential - with a single interface who knows the environment his or her clients evolve in and will be able to offer high-level relevant advice and guidance in consultation with the Ascoma Group partners.

INTERNATIONAL MANAGEMENT OF YOUR COVERAGE

An added value in our proposed solutions is our ability to coordinate the management of your insurance policies on an international level. Your asset disclosure process is simplified and remains confidential. Our advisors provide personalised management and guarantee competitive terms with the best insurers worldwide. Finally, claims are resolved by an experienced in-house team, further maintaining your confidentiality and protecting your privacy.

ASSETS AND FAMILY

Our commitment goes beyond insuring your assets. Our clients entrust us with the analysis of very personalised solutions for themselves and their families: accident, privacy protection, travel and special events, health coverage around the world. Even the most unthinkable such as kidnapping and ransom. Ascoma Private Wealth Insurance offers what is often a true luxury: peace of mind.
