

In the context of the Coronavirus (Covid-19) crisis and the exceptional measures taken by public authorities, the Ascoma Group has decided to adapt its organization. Ascoma teams in Paris and Monaco have moved to remote work as of Monday 16th March 2020, until further notice.

We would like to inform you about the continuity of our activities and services in the best possible conditions, for all our clients and partners, while respecting the health recommendations.

You can reach your usual contacts through email or mobile phone.

Most of your our contacts' office phone numbers have been transferred on their mobile lines. All employees are also equipped with laptop and can access our key information system, in the frame of our Business Continuity Plan.

In Africa, all Ascoma teams continue to serve their clients without major change since no lockdown has been decided for the moment. Strict preventive measures have however been put in place in our offices to protect our employees and clients.

We will keep you informed, and we thank you for your understanding and trust.

We hope this crisis will not affect your staff and your business too seriously. We remain at your disposal and look forward to talking to you soon in normalised conditions.

Yours sincerely,

Ascoma Group Executive Committee

Hervé Husson
Chairman

Edouard Lagourgue
Managing Director

Serge D'Alessandro
Managing Director
